

Dear Preschool Families,

Plans are well in place to assure a happy school experience for your child. It is with great enthusiasm that we look forward to meeting and working with you and your child. Each day brings our classroom closer to readiness for our first day of school and the much-anticipated arrival of our little ones.

Please read the enclosed explanations of class policies and procedures. Also included is a list of “starting school” books. These can be found at your local library and are an excellent way to prepare your child for the first day of school. You will also find some tips to make the transition to school an easier one for all concerned.

Please find a note and activity to share with your child, as well as the Student Information Form to be completed by you. Please return the form and activity on the first day of school.

Also, there will be scheduled times for 3 year old families on Thursday, August 27, 2015. Please contact the school office after Monday, August 3, 2015, to set up a time to visit.

Pre-school 4 families may visit anytime between 9:00-11:00 on Wednesday, August 19, 2015.

We eagerly await an exciting and fun year of hands-on preschool experiences. Enjoy the remaining summer days!

Sincerely,

Ms. Kondracki
Mrs. Bielak
